- 0. Still in barrel
- 1. Hold one year
- 2. Drink now, or cellar for up to 10+ years
- 3. Drink now, or cellar for 5 to 10 years
- 4. Drink now, or cellar for 3 to 5 years
- 5. Drink now, or cellar for 1 to 2 years
- 6. Drink now
- 7. Sorry, too late!
- (-). Not produced in this vintage

A brief comment regarding our scale: When we say "drink now", we mean the wine was not aggressive or austere at the time of this tasting. The cellar time estimates the additional number of years the wine will continue to improve and be enjoyable, depending on careful storage.
