

## TECHNICAL NOTES 2012 WHITES - 2011 REDS

“2011 was a unique vintage for L’Aventure for many reasons. It was the longest and coolest growing season in our winery’s history. It also brought us a late frost which was then followed by weather induced shatter in June. All together the damage caused by these events resulted in roughly 50% normal yields. These wines are elegantly styled, and reflect the very best offerings of this vintage.”
